# Marriages 2019-2020

Special memories:  
 Family members comprised the wedding party, and the couple incorporated crowns from the groom's parents' wedding and the silver communion cup from the bride's parents' wedding into the ceremony. The father-daughter dance included the bride and her father and the groom and his daughter, and a local artist captured the festivities on canvas in the moment. In a nod to the couple's Greek heritage, the reception began and ended with Greek pastries made by the bride's mother and the groom's brother.
